

## **Employer's Return of Virginia Income Tax Withheld Instructions**

**General:** An employer who pays wages to one or more employees is required to deduct and withhold state income tax from those wages. Virginia law substantially conforms to the federal definition of "wages." Therefore, Virginia withholding is generally required on any payment for which federal withholding is required, except amounts paid pursuant to individual retirement accounts and simplified employee pension plans as defined in Sections 7701(a) (37) and 408(c) of the Internal Revenue Code.

**Filing and Payment Procedure:** An employer's filing status is determined by the average amount of income tax withheld each month. When registering a business, an employer is asked to estimate this figure so the Department can assign a filing status. Based on that information, the Department assigns a quarterly, monthly, semi-weekly, or seasonal filing status. In addition, all employers must file an annual summary. Employers are not responsible for monitoring their monthly tax liabilities to see if a status change is needed. The Department reviews each account annually and makes any necessary changes. Notices of change in filing status are usually mailed during December of each year and become effective on January 1.

Payments may be made by check or by Electronic Funds Transfer (EFT). Payments returned by the bank will be subject to a returned payment fee in addition to any other penalties that may be incurred.

Paying by EFT eliminates your requirement to submit Form VA-5, however payments must be made by the same dates that the Form VA-5 would have been due. When no payment is due because the tax liability is zero, you must report a ZERO liability to the Department. This can be done by reporting a zero payment on your EFT transaction. For additional information regarding EFT, please refer to the Department's *Electronic Funds Transfer (EFT) Guide*. A Guide may be obtained from the Department's web site, [www.tax.virginia.gov](http://www.tax.virginia.gov), or Forms Request Unit at (804) 440-2541.

- **Quarterly Filing:** If an employer's average monthly withholding tax liability is less than \$100, the account will be assigned a quarterly filing status. Form VA-5, with full payment for the tax, or your EFT payment is due on the last day of the month following the close of the quarter. **A return or EFT zero transaction payment must be filed for each quarter even if there is no tax due.**
- **Monthly Filing:** If the average monthly withholding tax liability is at least \$100, but less than \$1,000, a monthly filing status will be assigned. For months that close a calendar quarter, file Form VA-5, with full payment, or make your EFT payment by the last day of the following month. For months that do not close a calendar quarter, file Form VA-5 or make your EFT payment by the 20th day of the following month. **A return or EFT zero transaction payment must be filed for each month, even if there is no tax due.**
- **Seasonal Filing:** Seasonal filers, those employers who have employees only during certain months of the year, are required to file returns for the months designated at the time they register for an account, even if there is no tax due. Seasonal returns are filed on Form VA-5 and are due at the normal monthly filing dates.
